### **James Barton Design-Build Wins 2009 Chrysalis Award**

Apple Valley remodeling firm, James Barton Design-Build, has been honored with a 2009 Chrysalis award for excellence. The award will be presented at the Chrysalis Award Ceremony on Friday, June 5<sup>th</sup> in Atlanta, Georgia during the Southern Building Show. In 2006 James Barton Design Build won Remodeler of the Year for the Midwest Region. They were also awarded a Chrysalis award in 2008 for a kitchen project. This demonstrates the company's ongoing commitment to excellence.

The winning project for 2009 is the home of Herm and Jan Kauls in Burnsville, which competed in the Deck/Porch category. The large deck along with a cedar pergola creates an outdoor gathering space for their family. A smaller ground level deck and pergola in the backyard create a more intimate space for using their hot tub.

Judged by editors and writers of Better Home & Gardens, Woman's Day, Southern Living and Houseplans.com, the winners were selected from over 504 entries. The entries were judged on overall design, the creative use of space and materials, and the degree to which the project enhanced the original structure.

The Chrysalis Award Program began in 1994 and recognized the nation's best work in seventeen general categories of residential remodeling, as well as regional and national Remodeler of the Year Winners.
