

James Barton Design Build (JBDB) recently received two 2011 Contractor of the Year (COTY) awards for outstanding achievements in the Residential Kitchen \$60,000 - \$75,000 category and Residential Bathroom \$30,000-\$60,000 category. A celebration of the best in Twin Cities residential remodeling, the COTY Awards are hosted by the Minnesota chapter of the National Association of the Remodeling Industry (NARI).

With scores based on photo submissions and project descriptions, the contestants were judged by a panel of 25 remodeling professionals from the NARI of Milwaukee chapter. Competing with many applicants in various categories, JBDB is honored to be identified as a leader among this distinguished group of remodeling firms.

“We are grateful to have our team achievements recognized”, said James Madsen, owner of JBDB. “Our commitment to excellence for our clients and their projects are essential to our success in this industry,” said James.
