James Barton Design Build was recently recognized in both Qualified Remodeler - Top 500 and Remodeling Magazine - Top 550.

Each year Qualified Remodeler - Top 500 recognizes remodelers for their significant and sustained success in terms of Years in Business, Industry Certification, Dollar Volume, Industry Awards and Community Service. The Top 500 is the longest ongoing recognition program in the remodeling industry. In 2012 JBDB ranked #241 nationwide. The Remodeling Magazine - 550 Award recognizes the largest remodeling and home improvement companies in the nation. JBDB ranked #74 in 2012.

"This is a great recognition for our companies hard work, team approach and dedication," said James Madsen, owner of JBDB. These accomplishments would not be possible without the trust and confidence our loyal customers have placed in our company.
