James Barton Design-Build Inc. Wins 2016 Chrysalis Award

Apple Valley remodeling firm, James Barton Design-Build Inc. has been honored with a 2016 Chrysalis Award for Remodeling Excellence. The winning project was in the Outdoor Living Category. The homeowners generous lot with pool created the perfect back drop for a full outdoor kitchen, bathroom with shower, stunning stone grill with bar seating and a cozy firepit area. The lot also had plenty of room for a double garage with future loft space.

The Chrysalis Awards program began in 1994 and recognizes the nation's best work in twenty one general categories of residential remodeling. The entries were judged on overall design, creative use of space and materials and degree to which the project enhanced the original structure.
