James Barton Design-Build Inc. is proud to announce that they have earned a Remodeler of Merit Award (ROMA) from the Builders Association of the Twin Cities (BATC) for its entry in the Outdoor Living Category.

Since 1982, BATC has presented the ROMA Award to remodelers to recognize creativity, design and the remodeler's ability to meet the client's requirements. Winners were selected by a team of remodeling professionals from the Sioux Falls, South Dakota, Builders Association after evaluating photographs, floor plans and descriptions of the remodeling project.

"We are proud of the quality of work that our company delivers, but the true satisfaction comes from the relationships we build with our customers," said James Madsen, owner of James Barton Design-Build.
