James Barton Design-Build is pleased to announce that they recently received a CotY Award (Contractor of the Year) in the Residential Kitchen Category.

A celebration of the best in Twin Cities residential remodeling, the COTY Awards affords an opportunity for the Minnesota remodeling industry to acknowledge the year's accomplishments and to recognize individual successes. Competing with a record number of applicants in various categories, James Barton Design Build is honored to be identified as a leader among this distinguished group of remodeling firms. The COTY awards were hosted by the Minnesota chapter of the National Association of the Remodeling Industry (NARI). James Madsen, owner of JBDB, believes this award is an important acknowledgment of the companies' dedication and team effort. The real satisfaction comes from the relationships that are built with the clients and knowing they are thrilled with their transformed homes. Emily Thull, JBDB's lead Designer on this kitchen project, was excited to accept the award for the JBDB Team.
